Email: info@ceradogs.org

CERA prescreens all dogs and will not knowingly provide a dog that is dangerous or unsuitable for fostering. Please note CERA does not have a shelter facility in Vancouver for foster dogs to be returned for any reason.

Please consider the fostering of an overseas dog carefully before applying

- 1) **Submit your foster application documents.** Email us your completed foster application form and pictures of inside and outside of your residence (showing the front and back yard and height of fence, if applicable) **Note: CERA reserves the RIGHT to refuse any applicant for any reason without further notification.**
- 2) **Phone interview / email correspondence** - A phone interview will be arranged during which any questions you might have will be answered.
- 3) **Home Check** - A home-Check is scheduled at your convenience to make sure the environment is suitable for the dog. **All the residents of the home must be present for the home check.** More pictures will also be taken at this time for our rescue's records. After the home check, our volunteers will decide whether to approve the foster application. We will inform you of our decision within one day to one week.
- 4) **Flight information** - We will email you with your foster dog's flight details once a volunteer passenger carrier has been confirmed.
- 5) **Meet at YVR Vancouver International Airport** - On the day of the flight, our volunteers will be there to help you pick up your foster dog.

We will contact you in the first few days of the dog's arrival to assist you should any issues arise. Please take notes of your foster dog's changes in habits and/or personality. Please take pictures and videos of your foster dog to help advertise him/her as an adoptable pet. Thank you for helping your foster dog to find his/her forever home.

CERA Dog Society Preliminary Fostering Agreement

I agree and understand that the foster dog is the property of CERA and must be surrendered to CERA when requested.

Initials

I agree and understand that CERA is not responsible for injury or property damage caused by a foster dog(s). In the event that any of my own pets should become ill or injured due to interaction with the foster dog(s), CERA will not be liable and veterinary bills must be paid by the foster person/family.

Initials

I agree and understand that when I foster a dog, I am accepting the dog as is and with full responsibility for his/her actions while in my care. No warranty or guarantee is intended and given as to the physical condition or temperament as the background of these foster dogs is generally unknown.

Initials

I agree and understand that no medical care shall be undertaken without prior written approval from CERA, with the exception of emergency veterinary care.

Initials

I will care for, protect, and provide for this animal in an appropriate and loving manner, to the very best of my ability, for as long as he/she is under my foster care. I make the commitment to foster this dog for as long as necessary until he/she is adopted out.
